A: Candidates have 96 hours to complete each End-of-Module Assessment. Candidates may login, read the instructions and FAQs prior to beginning their assessment clock. The clock does not begin until a candidate reaches the download page. Several warnings will be issued in advance of that happening. Candidates who do not complete the submission process by the end of the 96 hours will be graded as not having met minimum requirements (failed) and will need to purchase another attempt.

[Back to Contents](#)

A: No. Once files are uploaded, they cannot be replaced.

[Back to Contents](#)

Grading and Transcripts

[Back to Contents](#)

Q: I didn't receive my Final Assessment results email, what should I do?

A: Due to technical reasons beyond our control, some candidates may not receive emails from the e-Learning website. In such cases, candidates may also return to the Final Assessment page where Assessment results are displayed or refer to their Online Transcript. You may also email ellearn@soa.org to receive another copy of the result.

[Back to Contents](#)

Q: What happens if one of my End-of-Module Assessments does not meet minimum requirements?

A: You will need to register for another attempt at the Assessment for that module. You may either register online or submit the appropriate registration form found on the [FAP Modules Home page](#).

[Back to Contents](#)

Q: Is feedback available for a failed End-of-Module Assessment submission(s)?

A: **Candidates** will be provided with feedback in the form of predefined, categorical statements highlighting the qualities of their responses in most need of improvement.

FAP Final Assessment

General

Q: What is the FAP Final Assessment?

A: The FAP Final Assessment is a measure of your understanding and application of the key concepts presented throughout the FAP course. You must register in advance of taking the Final Assessment. You may not access the Final Assessment until you have successfully submitted each FAP End-of-Module Assessment. Once you are registered and eligible, the FAP Final Assessment will be available to you.

[Back to Contents](#)

Q: Is the Final Assessment held on a specific date?

A: No. Candidates may take the Final Assessment when eligible and after registration has been processed.

[Back to Contents](#)

Q: Can I discuss the Final Assessment with someone else?

A:

In general terms, you may discuss the assessment with others who are taking it or who have already taken the Final Assessment. You are allowed to discuss concepts related to the assessment, ideas for how to effectively respond, strategies that you might employ to address the questions, and other aspects of the assessment in general terms. However, you are not permitted to share the specifics of how you will communicate your response or confirm the results of any numeric calculations. As an example, in the context of a task that asks to document risks, you would be permitted to discuss how to decide

whether a risk applies to a particular situation and what questions you would consider in making that decision. However, you would not be permitted to then discuss which risks you will ultimately document in your submission and how you will describe them.

Candidates are also encouraged to form study groups via the [Learning Companion](#). Refer to the Learning Companion via the e-Learning website to form study groups and to coordinate the timing of the download of your Final Assessment with others.

Your final submitted files must be your work and your work only. Having another person(s) write, review or edit your submission, or plagiarizing another person's work, including model solutions, is strictly prohibited.

[Back to Contents](#)

Q: Can I share any of the Final Assessment materials or my submission files with a colleague?

A: No. The assessment and associated materials are the intellectual property of the SOA and may not be shared. Your submission files are also considered confidential and are not to be shared with others. Failure to control your work product may lead to disciplinary action.

[Back to Contents](#)

Q: Can I work on my Final Assessment from more than one computer?

A: Yes, the Final Assessment is designed to allow you to work from any location.

[Back to Contents](#)

Q: Do I need a supervisor for the Final Assessment?

A: No.

[Back to Contents](#)

Registration

Q: When can I register for the Final Assessment?

A: Candidates can register in advance or after completing the Monitoring Results Module.

Q: How can I register for the Final Assessment?

A: Candidates may register for the Final Assessment by registering through a link in the *Monitoring Results* module or by filling out an application from the [FAP Modules home page](#) and faxing it to the number on the form or by emailing it to [Customer Service](#).

Faxed and emailed applications will be processed within 10 working days of receipt. Candidates are encouraged to register while working on *Monitoring Results*.

[Back to Contents](#)

Q: Can I take the Final Assessment prior to completing the End-of-Module Assessments?

A: No. Candidates must have **submitted** all of the prior End-of-Module Assessments prior to being granted access to the Final Assessment.

[Back to Contents](#)

Q: Can I take the Final Assessment before passing all of the End-of-Module Assessments?

A: Yes. Candidates may take the Final Assessment before passing all of the End-of-Module Assessments.

[Back to Contents](#)

Time Allotment

Q: How long do I have to complete the Final Assessment?

A: The Final Assessment must be uploaded within 96 hours, or before the grading submission deadline for that particular version of the Final Assessment. Candidates may login, read the instructions and FAQs prior to beginning their assessment clock. The clock does not begin until a candidate reaches the download page. Several warnings will be issued in advance of that happening. Candidates who do not complete the submission process by the end of the 96 hours will need to purchase another attempt.

The Final Assessment must be uploaded prior to course expiration, regardless of the time left on the clock. For example, if a candidate downloads the Final Assessment on January 29, with a course expiration of January 31, the Final Assessment must be uploaded by 11:59 pm Eastern Time, U.S. on January 31. Although the Final Assessment clock will still show more time is left, a candidate must have course access to upload the Final Assessment.

[Back to Contents](#)

Q: When does the Final Assessment clock start?

A: The clock will begin when you access a screen entitled "Download Page." You will receive a warning several times before activating the assessment clock.

[Back to Contents](#)

Q: Can I access the assignment tasks and supporting spreadsheets at any time during the Final Assessment?

A: Yes. You can access the assignment tasks, solution files and supporting spreadsheets at any time from the Working Page.

[Back to Contents](#)

Q: How long will it take me to complete the Final Assessment?

A: The assessment has been designed so that a well-prepared candidate – one who has learned the key concepts, completed all FAP case studies and module exercises – will spend approximately 25 hours completing assignments. Twenty-five hours is an estimate based on the experience of candidates, to date. Actual time will vary depending on candidate experience, expertise, working style, etc.

[Back to Contents](#)

Q: How do I know how much time is officially remaining before I need to submit my Final Assessment?

A: A personal assessment clock is accessible on the Working Page of the e-Learning website and can be refreshed at any time during the 96-hour period. Note: the clock will start at 96 hours for all candidates, regardless of the submission deadline or the expiration date of their FAP Modules. The clock *does not* reflect an accurate time remaining for a candidate who downloaded the Final Assessment less than 96 hours before a submission deadline or less than 96 hours before their FAP Modules expire; these candidates must submit before the deadline or before their modules expire, even if there is time remaining on their assessment clock.

[Back to Contents](#)

Q: Is my Final Assessment submission complete as soon as I upload my files?

A: No. Candidates must complete the submission process by attesting that the work is their own, and that they have not distributed the assessment materials. Candidates are responsible for completing this process before their assessment clock runs out. Candidates will receive a confirmation page when they have successfully completed this step.

[Back to Contents](#)

2. Complete the tasks assigned to you. Use the solutions completed by your fictional assistant to help guide you.
3. Review your work.

Step 3: Attach all of your Final Assessment files and submit them for grading.

[Back to Contents](#)

Q: What happens if I do not complete the Final Assessment within 96 hours or before the Assessment submission deadline?

A: Your assessment will be graded as not having met minimum requirements (failed). To receive credit, you will need to re-register for the assessment.

[Back to Contents](#)

Q: What happens if the SOA e-Learning website is not available when I need to upload my Final Assessment files?

A: During planned system outages (i.e., system maintenance, module rollouts or updates, etc.), the candidate is solely responsible for scheduling the download and upload of the Final Assessment so that it does not conflict with the planned outage. Consequently, candidates who do not upload their Final Assessment within 96 hours due to the planned outage will be graded as “Does Not Meet Minimum Requirements.” Candidates will then be required to purchase another attempt for the Final Assessment. No exceptions will be made. All planned outage schedules are posted in advance in the “News” portion of the e-Learning website.

In the event the e-Learning system is not available due to an unscheduled outage thereby preventing candidates from uploading their Final Assessment files within 96 hours, contact elearn@soa.org.

[Back to Contents](#)

Q: I uploaded the wrong assessment files. Can I email the correct files to the SOA?

A: No. Once files are uploaded, they cannot be changed.

[Back to Contents](#)

Grading and Transcripts

You may also email ellearn@soa.org to receive another copy of the result.

[Back to Contents](#)

Q: What happens if my assessment does not meet minimum requirements?

A: You will need to purchase another Final Assessment attempt for \$1,200 by registering online or submitting the appropriate registration form found on the [FAP Modules Home page](#). Online registration is processed immediately. Faxed or emailed applications will be processed within 10 working days of receipt. You will have access to the Final Assessment immediately after receiving confirmation that your application has been processed.

[Back to Contents](#)

Q: Is feedback available for my failed Final Assessment submission(s)?

A: No. In lieu of specific feedback on any particular candidate's submission, a model solution will be published after all candidate results have been released for a particular version of the FA. The model solution is intended to help all candidates self-assess their work and to prepare for their next attempt. The solution presented will represent a solution that covers all key points and clearly meets minimum requirements.

[Back to Contents](#)

Additional Attempts

Q: Will I ever receive the same Assessment more than once?

A: No. You will not be eligible to resubmit the Final Assessment until after your current submission has been graded. At that time, a new version of the Final Assessment will have been released.

[Back to Contents](#)

A: Additional attempts are accessed in the same way as your first attempt. To access your next attempt:
